

Dear Jim,

Larry & I woke you up this morning but I guess you didn't mind too much.

We will be up at the cabin all week-end and Ruthie and Jack will be up there too. Ruthie's birthday is Saturday so we will celebrate that. I bought her two patio out door torch lights for the porch on their cabin.

It was fun seeing Gail and she comes over every day or evening as she always has so much to talk about.

I think the Swedish lessons will be fun. I will have to get back to Sweden in a couple of years.

I will send you more money whenever you want it. This probably isn't enough. — Love, Mom.
